Re: **AALPS College (North Lincs.) Winterton Road, Roxby**  
**Planning Permission ref. 2004/0046**

It is with very sincere regret that I note we have commenced work relating to the above planning application without first dealing with the requirements for investigation of the site for historic interest purposes.

As a company, we are well aware of the obligations placed upon us and have no excuse to offer for this omission.

However, our new Group Development Director, Tony Briscoe, has now taken personal charge of such matters to coordinate the implementation of planning approvals throughout the country, rather than relying upon Regional Directors to deal with their obligations. This, I assure you, has been treated very seriously at this end, and we have implemented procedures that will ensure such omissions will never occur again.

I fully appreciate that this does not deal with the issue at hand and would be grateful if you could liaise with Tony Briscoe (office 01952 632 110, mobile 07793 365 237), to determine what action is now necessary.

Yours sincerely
