20th November 2008

Dear Mr Jackson,

2008/1338 Ellis Keadby Bridge Filling Station Gunness

Gunness Parish Council strongly object to this application to amend size of MOT station previously approved under 2007/1383 and replace existing workshop as in our opinion this will create an over intensive site development and have an impact on the highway.

In particular we question that twenty cars can be on this small site and still have complete manoeuvrability within the curtilage of the site which abuts the footpath

A site visit will confirm this.

Yours sincerely

Mr Scott Jackson
