For the attention of Graeme Moore.

Dear Sirs,

**Retention of existing extension at Poplars Farm House, Jaques Bank, Medge
Hall, Crowle.**

We refer to the above application included on the list of applications being considered by the Council. The site is within the Doncaster East Internal Drainage Board's and close to a watercourse maintained by them.

It is noted on the application there is no detail with respect to disposal of surface water from the developed site. Subject to the disposal of surface water being directed to a soakaway system, or a Sustainable Drainage System (SUDS), and that the Council are satisfied that both systems will operate satisfactorily in the ground conditions prevailing at this site throughout the year and in the future, the Doncaster East Internal drainage Board has no other comment to make.

If you need to discuss the above further, please do not hesitate to contact Paul Jones, quoting our reference on all correspondence.

Yours faithfully,
**On behalf of the
Doncaster East Internal Drainage Board**
