CHAPEL STREET

TO TOWN CENTRE

Existing trees - Cat B

Existing trees - Cat C

Existing trees - Cat R

Root Protection Area - calculated using BS5837 Formulae

Construction exclusion zone - defined by physical conditions on site

Proposed New Trees

Existing hard paving - to be topsoil / grass / plants

Existing hard surfacing - to be sand / gravel / porous aggregate paving

Existing grass surfacing - to be graded gravel / porous aggregate paving

Existing grass surfacing - to have raised timber boardwalk above

Existing grass surfacing - to be concrete block paving

Demolished buildings- Areas topsoiled and seeded

KEY

TREE TO BE PRUNED AS FOLLOWS:

T6 Remove lowest branch which is close to rubbing roof of concierge

T3 Remove two lower branches on north side to improve shape of crown

T26/27 Remove two lower branches on east side to improve shape of crown

T36 Remove 4 narrow branches nearest new lamp post

Cherry - Not covered by TPO Remove three small branches nearest gable end of maisonette.

Rev A: 12.02.13. Simplification of drawing to highlight trees, particularly those identified for pruning.
