SUMMARY OF ADVICE

- Thank you for consulting the HER on this application.
- This proposal does not adversely affect any heritage assets or their settings and the HER has no further comment.

HISTORIC ENVIRONMENT RECORD (HER) GROUP FUNCTION: To hold, maintain, interpret and manage heritage information, enhancing the understanding of the area's historical development as a distinctive and attractive place. HER information provides source material for interpretation by heritage professionals and for use by community groups and individuals.

The Group also provides advice on development proposals that affect, or may affect, the sites and settings of all heritage assets i.e. designated and non-designated historic buildings, archaeological sites and monuments, and historic places, areas and landscapes. This advice is provided against saved local plan policies and national historic environment policies.
