## Enquiry details

Application referencee.g. PA/YYYY/APPNO*	PA/2016/950
Do you...*	Object to proposal
Comments	The proposed access drive is situated at a bus stop at the top of a very steep hill and is close to existing driveways of three properties. It is very difficult to get in and out of the driveways already especially during the rush hours when children are walking to schools. The hill is also well used by heavy agricultural machinery. In our view to place another vehicular access point so near the junction of Southcliff Road would be dangerous.
