Do you.....: Object to proposal

Comments: I should like to object to this planning permission on the grounds that it will significantly change the street view and character of the cottage within the Saxby all Saints conservation area. A previous planning application (PA/2016/1572) was approved which retained the exterior frontage and style of the cottage which allowed for modernisation and extension of the existing property. The addition of a double garage to the frontage is not in keeping with the character of the present property. In my opinion it would appear that the eye is drawn to this aspect of the building (in a most disadvantageous manner) rather than the original period cottage.
