Comments: Although we do not live in Haxey now a lot of our family do so we still visit and have stayed at the Duke William on many occasions when we did live there it was a central part of the village we had a large family party there and used the restaurant many times. The Duke is used by many people fishing clubs workers etc in their accomadtion .it would be sadly missed especially for the Haxey Hood. There is also a Hair Salon that will have to close at the rear of the Duke that we always used as do many local people and that will surely put the staff there out of work. It will be a great shame if Haxey were to loose the Duke William
