Dear Mr Niland

PLANNING APPLICATION REFERENCE: PA/2018/814
DUKE WILLIAM – HAXEY

I write to formally object to the Planning Application PA/2018/814 to develop the Duke William site in Haxey on the following grounds.

This would be a loss of another village amenity. Having lived on the Isle of Axholme for over 30 years, we do occasionally call at the 'Duke' for refreshment and have noticed recently that standards at this particular establishment have been falling. There is no reason, given a enthusiastic landlord, that the Duke William will thrive again. Other smaller villages on the 'Isle' are supporting one or even two public houses. I am sure Haxey can do the same.

Yours sincerely
