2		FDR PLANNING			

This plan is provided by Anglian Water pursuant to obligations under the Water Industry Act 1989 and/or 1991 or 2006. It must be used in conjunction with any written reports attached. The information on this plan is based on data currently recorded but this position must be regarded as approximate. Service pipes shown are shown on drawings of the plan. Users of this plan are strongly advised to commission their own survey of the area shown on the plan before carrying out any works. The actual position of all services MUST be established by the user, by taking appropriate, industry standard, measures. Anglian Water is not liable for any loss or damage of any kind arising from the use of this plan. This information is valid for the date of issue. This plan is provided by Anglian Water - Services Section, from Customer Service Centre, 00000000. This plan is to be used for the purposes of making the location of Anglian Water pipes only. Any other use of the plan data or other content is not permitted. This notice is not intended to exclude or restrict liability for death or personal injury resulting from negligence.
