Planning Application (please select): PA/2019/371 (140 Houses, Top Rd, Winterton)

Name: Mark ogg

Details of objection: I object the the proposed planning application.

The access onto a main road which is already very busy.

The services cannot cope now eg schools, doctors and drains.

This is not just a few houses and will change the dynamics of a small town.

We had developments over the years but it seems every bit of good farm land has to have more houses put on.

What younger people will not be able to afford to buy.
