

NORTH LINCOLNSHIRE COUNCIL
**WORKS TO TREES IN A
CONSERVATION AREA**

Town and Country Planning Act 1990, Section 211

Notice reference no: PA/2019/2098

Address/Agent

Mr Peter Clipson
Cut & Clear Tree Services Ltd
155 Messingham Road
SCUNTHORPE
DN17 2LN

Applicant: Mr Knowles

Trees at: The Manor, 16 West End, Winteringham, DN15 9NS

Proposal: Notice of intention to prune a willow tree and fell 2 conifer trees, all situated within the Winteringham conservation area

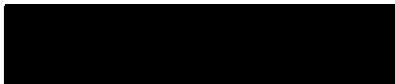

Notification was received as valid on 17/12/2019.

This notice is only for the work described above. You should read the following:

- on this occasion the council has decided not to make a Tree Preservation Order. You may therefore carry out the work described provided that it is completed within two years; and
- if you want to do any other work you should first contact the council as unauthorised work to trees in conservation areas is a criminal offence which, upon conviction, can result in a substantial fine.

Dated: 23/01/2020

Signed:

Andrea Brocklebank
Environment Officer – Trees and Landscape

Informative

Nesting Birds and Bats When pruning or felling trees or hedgerows you should ensure the work does not disturb or injure nesting birds. These, and their nests when in use, are protected from disturbance or injury under the 1981 Wildlife and Countryside Act. Ideally carry out work outside the main breeding season (1 March to 1 September). In addition it is important to survey trees for bats, particularly if they are mature trees with suitable cracks or holes that are likely to be affected by the work. All species of bat are protected under Schedule 5 of the Wildlife and Countryside Act 1981 (as amended) and Schedule 2 of The Conservation of Habitats and Species Regulations 2017, making all species of bat European Protected Species.
