

Planning Permission: PA/2020/936  
11&12 Bridge Street, Brigg.

## Materials Schedule

### **Rainwater goods:**

Cast iron effect half round (112mm) gutter in black with circular 68mm dia cast style downpipes to match.

### **Roof windows:**

Velux conservation range (550x980mm, centre-pivot)

Our classic windows blend tastefully into the roof of your old building with a vertical centre bar and black finish exterior. All our conservation roof windows have the technically superior features of a VELUX roof window in a traditional black conservation style. And, no matter what type of glazing you choose, you'll have the added benefit of energy efficiency and all the features you'd expect.

#### **Product features:**

- › Available in either centre-pivot or top-hung opening.
- › Black external profiles and glazing bar.
- › Recessed installation possible for slate and tile roofs.
- › Rotates 180° for easy cleaning of the outer pane.
- › Insulation collar and Underfelt collar included in all conservation packages.

## Windows & Doors:

Windows will be foil wrapped uPVC and will be finished in off-white at first and second floor with ground floor windows being finished in RAL 6010 Heritage Green (as per images below). Vertical sliding sash windows are to be installed as pictured.

Doors will be traditional style 6 panel composite doors finished in RAL 6010 Heritage Green with traditional furniture.

### **Roofing Tiles:**

William Blythe 'Barco' clay pantiles in natural red and half round clay ridge to match.

### **Brickwork:**

York clamp 2" by Imperial Bricks, laid in an 'English Garden Wall' bond with mortar struck flush.
