Applicant: Mr Thomas Sutton Nelthorpe

Trees at: Home Farm, Church Street, Scawby, DN20 9AE

Proposal: Notice of intention to fell two elm and an ash tree within Scawby's conservation area

Notification was received as valid on 25/05/2021.

This notice is only for the work described above. You should read the following:

- on this occasion the council has decided not to make a Tree Preservation Order. You may therefore carry out the work described provided that it is completed within two years; and
- if you want to do any other work you should first contact the council as unauthorised work to trees in conservation areas is a criminal offence which, upon conviction, can result in a substantial fine.

Dated: 05 July 2021

Signed:

**Andrea Brocklebank
Environment Officer (Trees and Landscape)**

Informative:**Nesting Birds and Bats**

When pruning or felling trees or hedgerows you should ensure the work does not disturb or injure nesting birds. These, and their nests when in use, are protected from disturbance or injury under the 1981 Wildlife and Countryside Act. Ideally carry out work outside the main breeding season (1 March to 1 September).

In addition it is important to survey trees for bats, particularly if they are mature trees with suitable cracks or holes that are likely to be affected by the work. All species of bat are protected under Schedule 5 of the Wildlife and Countryside Act 1981 (as amended) and Schedule 2 of The Conservation of Habitats and Species Regulations 2017, making all species of bat European Protected Species.
