Application no: PA/2021/1778

Dear Madam,

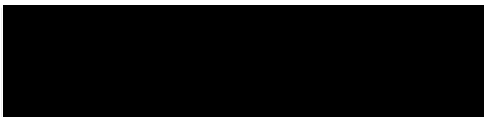

10-11-21

My apologies for not replying sooner to your letter of 14 October, but I have been trying to contact the arboriculturalist who is willing to prune the copper beech tree in my garden. He is familiar with the tree having pruned it on previous occasions. He intends to reduce the crown all round the tree to the extent of removing branches to a maximum of two metres. This will prevent branches interfering with telephone wires which cross over the road to a telegraph pole.

I am quite happy for one of your staff to inspect the tree at any time.

I look forward to your reply.

Yours faithfully,

Jane E. Ford
