

Arboricultural Report

61-67 Cherry Grove
Scunthorpe
DN16 2TQ

Tender Number: 484536

TPO/Conservation Restrictions: Yes T47 T47 Sargent Cherry.

TREES: *Prunus sargentii* X2 height 10 metres, width 12 metres X2.

ON INSPECTION:

A visual inspection was carried out from ground level. The Prunus X2 are located to the front of the complex on communal ground. One Prunus is dead standing with falling deadwood. The second Prunus is in major decline with considerable deadwood falling onto the public footpath and carpark area.

RECOMMEND:

Section fell the Prunus X2 as low as possible to ground level and grind out stumps to eliminate a major trip hazard.
