Good Morning

WE OBJECT STRONGLY TO THE PROPOSED DEVELOPMENT OF MAIN STREET STURTON. A SMALL HAMLET, STURTON IS STEEPED IN HISTORY MENTIONED IN THE DOOMSDAY BOOK. IT LIES WITHIN ONE MILE OF THE REMAINS OF A ROMAN VILLA.

WE HAVE BEEN RESIDENT IN STURTON FOR FIFTY YEARS AND ENJOYED THE OPEN SPACES, TREES HEDGEROWS, HOME TO NUMEROUS FLORA AND FAUNA, INCLUDING BATS, OWLS, RABBITS MAGPIES, AND THE OCCASIONAL FOX. THE FIELDS ONCE CALLED "AGRICULTURAL LAND" HOME TO HORSES AND PONIES FOR NUMEROUS YEARS.

WE HAVE BEEN GIVEN A BRIEF OPPORTUNITY TO VIEW PLANS IN RESPECT OF HOW THE DEVELOPMENT WILL IMPACT ON OUR PROPERTY. CAUSING US LOSS OF PRIVACY AND VIEWS. THE INTENDED PROPERTIES WILL OVERLOOK OUR REAR BEDROOM WINDOW THE PROPOSED GARAGES NEXT TO OUR GARDEN WALL WILL CAUSE NOISE AND FUMES .

THE OWNERS OF THE LAND IN QUESTION, WILL BE RESPONSIBLE FOR AN ASTONISHING ACT OF ENVIRONMENTAL AND COMMUNITY DESTRUCTION SHOULD THEY ALLOW THIS DEVELOPMENT TO CONTINUE.

Yours faithfully

Derek and Sandra Able
