

notes:
 This drawing is to be read in conjunction with all related drawings. Do not scale from this drawing. All dimensions must be checked and verified on site before commencing any work or producing IFS drawings. The originator should be notified immediately of any discrepancy. This drawing is copyright and remains the property of Philip Bingham Architects and Planning unless express agreement has been offered otherwise.
 All foundation details are to be determined on site by the building inspector and/or structural engineer. Drainage routes are assumed and are to be confirmed by the builder during construction. Ramps and steps are shown notional and will be determined by on site surveys and levels. All to current building regulations.
