Notes

– Drawing copyright of Ross Davy Associates.

– Used figured dimensions only. do not scale from this drawing

– All materials specified are to be used in strict accordance with manufacturers written instructions and current codes of practice.

– Should the project fall under the scope of the Equality Act, Party Wall Act or the CDM Regulations, it is the Employer's responsibility to initiate the following:
– Party Wall Awards
– Party Wall Notices and Surveys (if required).
– Pre-Construction Health and Safety Plan

– These drawings are to be considered as Preliminary and for information only until technical approval has been obtained from the relevant Local Authority/Approved Consultant. Commencement of work on site prior to these approvals is at the Client/Contractors risk.

– All building works to be constructed in accordance with the current Approved Documents to the Building Regulations (England).

Inspections and Surveys

Where elements of the construction are not visible during the survey, it is the contractors responsibility to identify structural elements which are thought may require remedial attention. Our survey does not include any destructive investigation. Additional works may therefore be necessary. Our survey does not include any destructive investigation.
