Applicant: Mrs Candace Brent, Clerk, Burton upon Stather Parish Council

**Tree Preservation Order: (Western Boundary of Cliff Drive, Burton upon Stather)
2000**

I refer to your application received as valid on 26/10/2022 to:

**crown lift an ash tree, identified as being T1 of the Tree Preservation 2000 on
land to the rear of 11 Ashwood Close, Burton upon Stather**

The application has been considered and consent has been granted subject, in the interests of visual amenity, to the following conditions:

1.

All work must be carried out to British Standard 3998:2010 Tree Work - Recommendations.

Reason

To ensure the work is carried out in a correct manner to protect the health of the trees and their contribution to the visual amenity and character of the local landscape.

2.

This consent is valid for a period of 2 years beginning with the date of this consent and all works can only be carried out once.

Reason

To ensure approved works are carried out in an appropriately timed and proper manner.

3.

Work shall be limited to increasing the clearance above ground level by no more than 3 metres and pruning selected branches to give no more than 2 metres clearance of dwelling, all to proper pruning points

Reason

To define the extent of work permitted ensuring potentially harmful effects of the pruning are minimised.

Dated: 09/12/2022

Signed:

Chris Barwell
Development Management Lead

Any person responsible for carrying out the works authorised by this notice is advised to engage the services of a qualified contractor in order to ensure an acceptable level of competence and that appropriate public liability insurance arrangements are in place.

Informative 1

Nesting Birds and Bats When pruning or felling trees or hedgerows you should ensure the work does not disturb or injure nesting birds. These, and their nests when in use, are protected from disturbance or injury under the 1981 Wildlife and Countryside Act. Ideally carry out work outside the main breeding season (1 March to 1 September). In addition it is important to survey trees for bats, particularly if they are mature trees with suitable cracks or holes that are likely to be affected by the work. All species of bat are protected under Schedule 5 of the Wildlife and Countryside Act 1981 (as amended) and Schedule 2 of The Conservation of Habitats and Species Regulations 2017, making all species of bat European Protected Species.

The proposed tree works will require a level of traffic management to be used within highway limits. Before any works are commenced on site you should contact the highway authority on telephone number 01724 297319 to arrange for the necessary consents.

YOUR RIGHTS OF APPEAL

If you are unhappy with the decision of the council to refuse this application, or to grant consent subject to conditions, an appeal may be made to the Planning Inspectorate (PINS).

You must appeal in writing within 28 days of receiving the decision notice. Only in special circumstances will you be granted a longer period.

You can get the forms to be used in an appeal by:
