Dear Sir/Madam

Reference PA/2023/421

Proposed Development Planning permission for the construction & operation of a post-combustion carbon capture plant, including carbon dioxide compressor & metering, coding equipment, stacks, substations, internal roads, partial ditch realignment, new & modified services, connections, internal roads, accesses, maintenance & laydown areas

This application is within the North East Lindsey Drainage Board area and potentially the Board would impacted and comment on the application.

However currently there are no documents or drawings on the portal.

I would be grateful if you could let me know when they will be available, for any correspondence please use planning@witham3idb.gov.uk

Documents of interest would include

- Application form
- Flood Risk Assessment / Drainage Strategy
- Surface water drainage plan
- Site layout

Regards
