Application for Consent to carry out works to trees covered by a Tree Preservation Order along Wharf Road, Crowle, North Lincolnshire, DN17 4HX.

Dear Sir/Madam,

I write to submit an application for Consent from North Lincolnshire Council to carry out works to trees it is understood are covered by Tree Preservation Orders ("TPO").

The trees in question are understood to be designated as T.29 and T.10 and a tree on the corner of Wharf Road covered by Group TPO G.1.

Photos are submitted with this application demonstrating the extent of the de-limbing required to trees T.10 and the tree within G.1. Tree T.29 requires removal. The works to these protected trees are required to facilitate the installation of utility infrastructure associated with works taking place at the nearby STW, confirmed to comprise Permitted Development on the 15th of June 2023, your reference: PDE/2023/22.

An attenuation tank is required in association with the aforementioned work and nearby sewer. The siting of this underground tank and the associated works require the removal of T.29 and the delimiting of the tree in G.1.

The delimiting of tree T.10 is required as work in connection with the sewer is required within the highway/ pavement and the delimiting of these trees avoids the possibility of these works disturbing nesting birds.

Within the application form, the ownership details of the trees within the Group TPO are included. However, the form will not allow me to add other ownership details. I therefore understand that the other trees are on highway land and therefore owned by the Highway Authority. The ownership details of the trees are therefore considered to be the Estates Team at North Lincolnshire Council, Church Square House, 30-40 High Street, Scunthorpe, North Lincolnshire, DN15 6NL own these.

I trust the above, in addition to the accompanying information, comprise a valid application for consent to work on trees protected by TPOs. However, should you require any further information, please do not hesitate to let me know.

Yours faithfully

John Nicol
