Notes

Under The Building Regulations etc. (Amendment) (England) Regulations 2023 Any person carrying out any building work must ensure the work carried out by them (and by any workers under their control) is planned, managed and monitored so as to be in compliance with all relevant requirements. Any person carrying out any building work must cooperate with the client, designers and contractors (including the principal designer and principal contractor, if any), to the extent necessary to ensure that the work is in compliance with all relevant requirements.

Should the client not be able to uphold their commitment to ensure site works are fully in compliance with the Building Regulations, Ryland Design Services Ltd, if appointed as Principal Designers, will provide a site inspection schedule to the site to discharge the client's duties and prepare a completion report, to be forwarded to Building control under schedule 1 (F16) of the regulations, to allow building control to undertake their final inspection. Ask for more information.
