

Reference:	PA/2024/796	Application Type:	Tree Application
Address:	21 West Acridge, Barton upon Humber, DN18 5AJ	Description:	Removal of weeping willow tree in Barton upon Humber conservation area
		Date of Response:	22/7/2024
		Case Officer:	Paul Beetham
Heritage/Conservation Considerations:			
Designated Heritage Assets: Barton upon Humber Conservation Area			
Non-Designated Built Heritage Assets: 19 – 25 West Acridge, identified as buildings of townscape merit in Barton Conservation Area.			
Advice/Comments:			
<p>The weeping willow proposed for removal has a strong presence in the West Acridge street scene and conservation area. Its loss would be regrettable and to the detriment of the appearance of the area.</p> <p>It is noted that only removal is considered here. Is the tree beyond management to preserve it and make it safe without total removal?</p> <p>If the application is to be approved, thought should be given to planting a new tree to help preserve the character of the area in the future.</p>
