

# Tree Survey Report

Kirton Lindsey Town Council

Recommendation	Photo
	 <p data-bbox="1107 880 1187 898">Dead hanger</p>
<p data-bbox="76 1095 268 1128">Tree: T001 Site: Kirton Lindsey Town Council</p> <p data-bbox="76 1149 181 1167">Broad-leaved lime</p> <p data-bbox="76 1182 619 1202">Remove the rubbing lateral at the union. These works are to prevent future failure at this point.</p>	 <p data-bbox="1050 1379 1246 1397">Rubbing lateral to the south at 9m</p>
<p data-bbox="76 1597 268 1630">Tree: T002 Site: Kirton Lindsey Town Council</p> <p data-bbox="76 1650 181 1668">Broad-leaved lime</p> <p data-bbox="76 1684 376 1704">Sever ivy to allow further investigation to take place.</p>	 <p data-bbox="1082 1879 1219 1897">Ivy over the lower stem</p>

Recommendation	Photo
<p>Tree: T007            Site: Kirton Lindsey Town Council            Broad-leaved lime            Sever ivy to allow further investigation to take place.</p>	 <p data-bbox="1082 613 1216 627">Ivy over the lower stem</p>
<p>Tree: T008            Site: Kirton Lindsey Town Council            Broad-leaved lime            Remove deadwood to the south</p>	
<p>Tree: T012            Site: Kirton Lindsey Town Council            Broad-leaved lime            Sever ivy to allow further investigation to take place.</p>	
<p>Tree: T013            Site: Kirton Lindsey Town Council            Wild cherry x3            Cut to give 30cm of clearance around the lines removing branches less than 2cm diameter.</p>	 <p data-bbox="1037 2119 1264 2132">Phone passes through the lower crown</p>

Recommendation	Photo
<p>Tree: T014  Site: Kirton Lindsey Town Council  Lombardy poplar x2  Fell the tree to the north, due to advancing internal decay. Works are to prevent damage to gravestones or neighbouring property.</p>	 <p data-bbox="1069 611 1228 627">Blue is the tree to the north</p>
<p>Tree: T015  Site: Kirton Lindsey Town Council  Silver birch  Sever ivy to allow further investigation to take place</p>	
<p>Tree: T005  Site: Kirton Lindsey Town Council  Broad-leaved lime  Cut to give 30cm of clearance around the street light, removing branches less than 2cm diameter.</p>	 <p data-bbox="1018 1615 1284 1630">Small diameter laterals obscure the street light</p>
<p>Tree: T010  Site: Kirton Lindsey Town Council  Broad-leaved lime  Remove deadwood or accept relatively low risk</p>	

Recommendation	Photo
<p>Tree: T002  Site: Kirton Lindsey Town Council  Broad-leaved lime  Monitor for change</p>	
<p>Tree: T004  Site: Kirton Lindsey Town Council  Broad-leaved lime  Monitor for change</p>	
<p>Tree: T005  Site: Kirton Lindsey Town Council  Broad-leaved lime  Monitor for change</p>	
<p>Tree: T006  Site: Kirton Lindsey Town Council  Broad-leaved lime  Monitor for change</p>
