Dear Scott

**Application to vary Conditions 6 and 11 of PA/2020/1748 namely to change the operation hours and increase the throughput (tonnage) of wood being processed at the site
Holmes Lane Stores, Winterton, DN15 9QX**

Thank you for consulting us on the above application, on Friday 18 November 2024.

Environment Agency position

We have **no objection** to the application.

However, the applicant should be aware that any existing environmental permits may need to be varied.

In addition, the applicant should also be aware that if the site intends to adopt a flow of waste wood then permits might be needed and waste Duty of Care code of practice would apply. More information can be found here: [Waste duty of care code of practice - GOV.UK](#)

Should you require any additional information, or wish to discuss these matters further, please do not hesitate to contact me using the details below.

Yours sincerely

Miss Emily Fisher
