You don't often get email from [Redacted] [Learn why this is important](#)

CAUTION: External Email. Do not click links or open attachments unless you recognise the sender and know the content is safe.

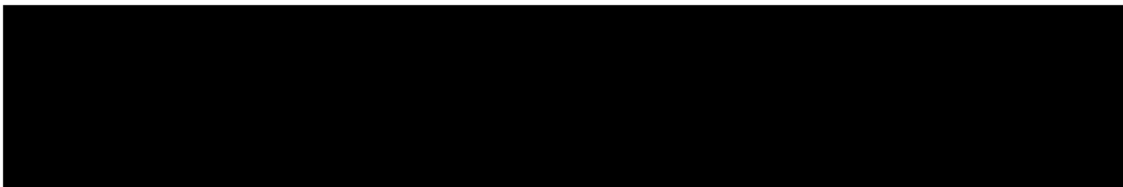

Good morning I hope you're well after further looking into another complaint from mr. And [Redacted]. I would just like to state, as all previous complaints say we don't have shared access. on this complaint [Redacted] has admitted in section 4 that we do have a right of way. As the applicant (me) has failed on their obligation and financial

obligation and the private drive is now in disrepair full of potholes.

May I just add that we haven't ignored our obligation as we can't contribute to any maintenance because [REDACTED] hasn't done any maintenance.
