Dear Sir/Madam

The Environment Agency no longer wishes to be consulted in relation to Environmental Impact Assessment Screening Requests (and therefore has no comments in this case). Please do however continue to consult us when you receive EIA Scoping Opinion Requests. This is reflected in our consultation checklist, 'When to consult the Environment Agency'.

Kind regards

Nicola Farr

Subject: Planning Application PA/SCR/2025/4 consultation Screening Opinion at Wressle Wellsite, Lodge Farm, Appleby

Dear Sir/Madam

Application No: PA/SCR/2025/4

Proposal: Request for a second EIA Screening Opinion for proposed new wells and 600M underground gas pipeline

Site Location: Wressle Wellsite, Lodge Farm, Appleby

Applicant: Egdon Resources UK Ltd

Case Officer: Andrew Law

Your views are requested on the above application. You can now view the application and associated documents directly on the website by selecting the following link:

[Open planning website](#)

Please send your comments by clicking on the "submit comment" button at the bottom of the application screen (this facility will only be available to use until the consultation period expires).

Whilst we will endeavour to ensure that all the documents are available to view as soon as you receive this email, this may not always be possible. They will usually be available by the following day.

Any comments should reach me no later than **14 days** from the date of this email, following which time the council may proceed to determine the application. In the meantime if you have any queries about the proposal these should be directed to the case officer named above.

If you have no objections or comments to make then early notification of this will assist me to deal with the application promptly. Any comments you do make will appear on the council's website.
