

Subject: Re: Planning Application PA/2025/890 consultation Householder planning permission at 74 Merlin Road, Scunthorpe, DN17 1LL

Hi

Thank you.

Looking at the measurements, you have very kindly provided, Highways would have to object to this planning application, as the distance between the front of the dwelling and the adopted highway boundary do seem restricted. Please be aware that minimum distance to park a car clear of the highway is 5m. I have some concerns that any vehicles parking on the drive will overhang the footway.

Many thanks

Diane Langton
