

Princes Street

General Note(s):

This drawing is not suitable for construction. Local Authority Approvals will be required. Discharge of conditions & details to be incorporated into this document after council approval. All dimensions are given in metric and all dimensions should be verified on the site. Any Discrepancies should be notified to YoSha Design LTD. These drawings are subject to a full laser & topological survey, as floor levels, heights and the structure, drainage, investigations etc. will alter the design & spatial arrangement.

The proposal for this project will have floor & ceiling levels raised & lowered. This drawing should not be relied upon on site. This drawing has YoSha Design LTD's copyright. This project is subject to structural Engineers Details, Party Wall matters, C.D.M. Regulations, CIL Liability and 'Specialist Reports'.
