CAUTION: External Email. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Just to repeat that the plans everyone's remarking on do not show the 5 plots in their correct position.

See my complaint 1 to NLC

Ree: PA /2021/1136 & PA/2023/56

Unfortunately, there were no dimensions on the plans submitted as part of the application specifically when the location of these properties was contested during the planning permissions.

Plot 1 was actually 12.1m from Coverdale boundary
Plot 2 was actually 10.52m from Coverdale boundary

When I was informed by NLC on the 28.02.25 that
Plot 1 should be 12.5m away from Coverdale boundary
Plot 2 should be 11.5 - 12m away from Coverdale boundary.
