

Rear Perspective

Rear Perspective 2

Front Perspective

Front Perspective 2

Notes

Explanations:

- Unless otherwise stated -
- All dimensions are in millimeters
- Dimensions are shown from structure, NOT finishes

Instructions:

Responsibility is not accepted for values obtained in scaling from this drawing.

Construction information should be taken from written dimensions only.

Inconsistencies should be reported to the Author immediately.

To be read in conjunction with:

Note:

All Drawings are now completed under LOCI Architecture & Design Ltd and are separate to original Architectural Designer for this scheme.

LOCI Architecture & Design Ltd is now continuing and completing all of the schemes approvals, design and technical drawing packages as of June 2025 since taking over the project from the previously hired Architectural Designer by instruction of Mr J Chapman.
