## **Statement of Community Benefit for Padel Courts in Barton-Upon-Humber**

The padel court facility will provide a significant and wide-ranging benefit to the local community, supporting health, wellbeing, social inclusion, and local development. The facility is designed to offer accessible, high-quality indoor space for physical activity, ensuring that residents of all ages can participate in activities that enhance their quality of life.

### **1. Promoting Health and Wellbeing**

Padel as a sport encourages regular physical activity by offering the facility to allow the community / local residents etc to participate in the sport using the correct facilities. By providing affordable and local access to indoor Padel Courts, the facility helps reduce barriers to participation and contributes to improved physical and mental health outcomes for the community.

### **2. Supporting Youth Development**

The facility provides a safe, supervised environment for young people to engage in structured sport, after-school activities, and team training. This reduces the risk of anti-social behaviour, builds confidence and teamwork skills, and supports the long-term development of local youth and sports clubs.

### **3. Enhancing Social Inclusion**

The facility is accessible to individuals of all abilities and welcomes users regardless of age, background, or income. Programmes can be tailored for older adults, disability sports groups, community fitness sessions, and inclusive events, helping to reduce isolation and promote social cohesion within Barton-upon-Humber and surrounding areas.

### **4. Supporting Local Organisations and Clubs**

Local sports clubs, schools, and community groups can rely on the Padel Court facility for training, competitions, and activities if desired. The availability of a reliable indoor space helps sustain grassroots sport, encourage volunteer involvement, and strengthen the area's community infrastructure.

### **5. Economic and Local Impact**

The facility attracts visitors, supports small local businesses through increased footfall, and can generate opportunities for employment, volunteering, and skills development.

By hosting events and activities, it contributes positively to the local economy and community vitality.

## **6. Commitment to Accessibility and Sustainability**

The Padel Court facility aims to maintain affordable pricing, accessible opening hours, and inclusive programming. Where possible, sustainable practices—such as efficient lighting, etc will be implemented.
