

RE: Planning Application PA/2026/22 consultation Consent under Tree Preservation Orders at NEW HALL, 2 NEWPORT, BARTON UPON HUMBER, DN18 5QJ

[REDACTED]

Hi Paul,

No comments except for relating to tree identified as T5.

It is proposed for felling and a new ornamental tree planted in place. The planting of a new tree of an appropriate native species should be a requirement (if possible) of any approval of this application. The trees in the front gardens of New Hall are important to the setting of this grade II* listed building of **very high significance** and the contribution it makes to the conservation area.

Kind regards
Felix

Your views are requested on the above application. You can now view the application and associated documents directly on the website by selecting the following link:

[Open planning website](#)

Please send your comments by clicking on the "submit comment" button at the bottom of the application screen (this facility will only be available to use until the consultation period expires).

Whilst we will endeavour to ensure that all the documents are available to view as soon as you receive this email, this may not always be possible. They will usually be available by the following day.

Any comments should reach me no later than **21 days** from the date of this email, following which time the council may proceed to determine the application. In the meantime if you have any queries about the proposal these should be directed to the case officer named above.

If you have no objections or comments to make then early notification of this will assist me to deal with the application promptly. Any comments you do make will appear on the council's website.
