With reference to the above application, I have to object to this proposal.

I am at a loss as to why the applicant wishes to park a vehicle in the front garden, There is ample parking on the road itself, and there is access to the rear of the property to park a vehicle.

This proposal would be quite intrusive and cause a loss of privacy to neighbouring windows. I feel that it would look most odd, spoiling the overall appearance of the other properties. In previous correspondence, it has been stated that these houses are unique to Barton.

Also the egress and ingress to and from the property could prove to be problematic to both pedestrians and other road users, as Maltkiln Road is a very, very busy

road.

Perhaps a site visit might be a good idea?

Thank you,
