Mr. Ian Kemp,

Dear Mr Kemp,

Matter 3 : Housing Allocations - Scunthorpe Omission Sites

I am writing directly to you so that you might inform the Inspector that contrary to the verbal evidence given by Mr. Walker on behalf of the North Lincolnshire Council neither myself nor any member of the family has stated that we are not willing to release the land at Holme Lane for development. The family has invested significant resources to the promotion of this Site in terms of the production of various reports that have been submitted to the council since the start of the development plan process in 2006. As a family we have not come this far to have it suggested that the site is not genuinely available should the Inspector determine that it is required to meet the future housing need of the district. I hope that this provides clarification on this matter.

Yours sincerely

Robin Jackson
