**North Lincolnshire Housing and Employment Land Allocations DPD
Statement relating to Matter 3: Housing Allocations
Submitted by the Environment Agency – Richard Kisby
Updated position- 4 February 2015**

Development in Brigg: Omission Site Engine Road Brigg

During the hearing of the North Lincolnshire Housing and Employment Land Allocation Development Plan Document, on Thursday 15 January, under Matter 3 Housing Allocations Omission sites.

You asked for clarification regarding a site at Engine Street Brigg. Specifically if the Environment Agency has undertaken an improvement works on the River Ancholme through Brigg since 2007.

I can confirm that since that time only ongoing maintenance work has been carried out along this watercourse including dredging and repairs to a brick “retaining” wall.

I hope this answers your query, if the Environment Agency can be of any further assistance please do not hesitate to contact me on the number below.
