Examination Development Limits - Scawby

Thank you for this email and attached plan for Scawby.

Scawby Parish Council discussed this matter at their most recent parish council meeting and have asked me to advise you that Scawby Parish Council support the boundary black line as highlighted on the plan and support the additions as highlighted in YELLOW on the plan but OBJECT to the proposed additions highlighted in RED on the plan.

I hope this is satisfactory.

Yours,

Karen Pickering – clerk to Scawby PC
