

NORTH LINCOLNSHIRE LOCAL PLAN & NORTH LINCOLNSHIRE LOCAL DEVELOPMENT FRAMEWORK – TRANSITIONAL PERIOD

INTRODUCTION

As part of the Planning & Compulsory Purchase Act 2004 and associated transitional regulations, the policies of the adopted North Lincolnshire Local Plan (May 2003) were “saved” for an initial period of three years after the commencement of the Act in September 2004. As part of this process, we were required to draw up a list of those policies which we considered should be “saved” beyond 2007.

This list was submitted to the Secretary of State (Government Office) for consideration in April 2007. Following this the Secretary of State (Government Office) has issued a direction setting out which policies will be “saved” from September 2007. These Local Plan policies will continue to form the basis on which planning decisions are made until such time as they are replaced by new policies in the Local Development Framework.

Details of the Local Development Framework documents can be found in the Local Development Scheme.
