This map illustrates the land use designations for Kirmington, North Lincolnshire. The map features several key elements:

- Orange Hatched Area:** A large area on the left side of the map, likely designated for agricultural or rural use.
- Green Hatched Area:** A central area, possibly designated for residential or community use.
- Yellow Hatched Area:** A smaller area on the right, likely designated for industrial or commercial use.
- Black Outline:** A boundary line that defines the village of Kirmington.
- Scale:** A scale bar in the top right corner indicates a scale of 1:6,000.
- Labels:** The map is labeled with 'Kirmington' and 'North Lincolnshire'.

The map also shows various other features such as roads, railways, and natural features like ponds and woodlands. The designations are color-coded and hatched to provide a clear visual representation of the land use plan.
