

Appendix One: Important Open Space Assessment

This sets out the assessment of the Local Plan 2003 LC11 sites and all new sites submitted through Call for Sites at each stage, and makes a recommendation for inclusion in the new North Lincolnshire Local Plan as 'Important Open Space'.

CRITERIA FOR DESIGNATION: A desk-based review was undertaken of the existing LC11 designations and any new site suggestion submitted during the 'Call for Sites' 2017, 2018 and 2019 to check:

- 1 Whether the status of each site had changed since the adoption of the Local Plan in which they are designated;
- 2 Whether the site is being considered for an alternative allocation in the emerging North Lincolnshire Local Plan (2018 – 2036) and should be deleted as it does not meet the criteria in 3; and
- 3 Whether the site meets the following other factors:
 - a) Contribution to the open character or appearance of a settlement;
 - b) Open to public view;
 - c) Ecological or landscape value; and
 - d) Recreational or social function.
